Please Review the following information to facilitate a seamless and efficient experience.

- Please call 15 minutes prior to estimated arrival time. 479-633-5042
- Before arrival, stop at the Flying J or a similar facility for a bathroom break. Our restrooms can handle crowds but 30 to 90 full bladders is slow going.
- GPS may take you down a dirt road. Stop and refer to map or call us for old-fashioned directions. Do not attempt to take. This route is not bus friendly.
- Look for the host to greet you at the gate. They will step onto your bus for a first greeting and parking directions.
